From: Bible Presbyterian Church in Bolivia, Mass Media Ministry

To: Media Commission of International Council of Christian Churches

Dear Brothers in Christ,

We send warm greetings in the name of our Lord Jesus Christ. "Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with all spiritual blessings in heavenly places in Christ." Ephesians 1:3

We thank God for the opportunity to preach the gospel through the mass media in Bolivia. During this pandemic time the Gospel was preached through our social media: Facebook, Youtube, Whatsapp. We praise the Lord, as our Bible studies meeting became international. Our church audience has grown five times. In our websites we provide biblical materials for Sunday school and church planting: WWW.PRESBITERIANA.ORG WWW.PRESBITERIANA.NET WWW.PRESBITERIANA.CL and WWW.PASTORAL.CL

In other hand our Radio Ministry in Bolivia has 35 years preaching the Gospel of Jesus Christ. We rent one hour in the local radio station. We broadcast live our radio program called "Pastoral Reflection" every Saturday from 9 - 10 AM (Bolivian Time) It is broadcasted through 98.8 FM Stereo. The radio waves covers two cities: La Paz and El Alto, almost 4 million of people. Also, in our church we have a small recording studio. God blessed us with Radio streaming on internet. We are broadcasting 24/7. The name of our online radio is: Reformed Bible Broadcasting. The internet address is: WWW.RBBRADIO.COM Email: contact@rbbradio.com

During our live radio broadcast we receive phone calls asking for prayers. We have a call center with two phone lines, usually people call to our radio program asking with their prayer request. We motivate to the Church of Christ to pray. We called to our faithful listeners, sentinels of prayer.

Our radio ministry provide resources to our listeners who really want to know about the Gospel. On 2020 we offered 36 free Bibles, New Testaments, the Gospel of John, Gospel tracts, wall calendars, CDs and DVDs. Every week we have listeners who came to our church office asking for Christian materials.

Here in South America we live in a city surrounded by many Evangelical Churches who have Arminian position about the doctrine of salvation also they teach dispensational theology. Our Bible Presbyterian Church preaches the clear message of the Gospel with an orthodox, fundamentalist and Reformed biblical interpretation.

We praise the Lord for the good results and the influence of the radio ministry. We have new families as church members. We are here in Bolivia for the word of God and for the testimony of Jesus Christ. Revelation 1:9.

We will appreciate your prayers for this ministry in Bolivia.

In Christ,

Rev. David E. Quisbert

The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; Isaiah 61:1.

The idea of establishing a radio as a tool that would allow us to go forward in our role as Christians in bringing the gospel of Christ all over the world, emerge in an activity celebrating the 500th anniversary of the Protestant reform of the 16th century. In this commemorative activity, the brothers and sisters of the Biblical Fundamentalist Presbyterian Church "Castillo fuerte" from Puerto Montt, Chile, put in God's hands their yearning, which began to materialize at the end of 2018, and on January 3, 2019 they created a Cultural Group under the local municipality, under the name of Cultural group "Fortaleza", which is the legal livelihood and the link with the civil authority for permits transactions. Radio Castillo Fuerte started its web broadcasts on May 13, 2019. Later on, on September 01 of the same year, they improved their streaming systems.

In January 2020, Castillo Fuerte Radio station fully broadcast the entire twentieth ICCC congress. Subsequently, the Castillo Fuerte Radio generated links with various Hispanic-world radio ministries, mainly to develop a Biblical Fundamentalist programming.

Currently, the RCF has mainly two types of programs that are broadcast 24 hours a day and 365 days a year. These are: Programs acquired from other related radio ministries and their own programming, which is developed by the Castillo Fuerte radio team.

In regards to music, RCF has only one line, which is: Traditional Christian Music, that is, the musical style of traditional hymns, sung or performed in a holy way, approving what is pleasing to the Lord. So we don't play music with contemporary or modernist styles, we also don't use sensual style, electronic or drummusic in terms of rhythm. This has been a great challenge, which with the Lord's help we have been able to fulfill, but always under the supervision of a selector team.

The RCF team consists of its director Rev Fernando Osses Valeria, the vice principal, brother Wagner Guerra, the music director, brother Adoni Osses Valeria. The general editor, brother Matías Osses Barría. In the computer area, brother Diego Badilla Mallega, in the technical area, Brother Froilán Carrasco and Brother Ismael Luna. In the area of child development, Sister Maria Almonacid. In the locution, Sisters Magaly Barría, Vicky Véliz and Claudia Solo de Zaldivar, sisters Fernanda Osses and Mikal Osses. In support of radial control, Brother Benjamin Osses Almonacid. In addition, it is sporadically enlisted with the help of other brothers from different churches of the Biblical Fundamentalist Presbytery.

Currently, our ministry has an app for Android Smartphones, which can be downloaded in the Play Store. This app is called Radio Castillo Fuerte. In addition, we have incorporated our radio into many popular online station applications, such as AlonCast, Simple Radio, RadioFM, Radios of Chile, Radio Garden, my Tuner Free, Raddios, Openradio, Radio Box, TuneYou, Tuner FM, among others. This work allows us to bring the gospel of Christ to the whole world.

During the pandemic, we have diversified and massified our work, through the dissemination and transmission of most of the activities, not only of the local church, but also of all the activities of the Biblical Fundamentalist Presbytery in Chile, and also of the activities of the Fundamentalist Biblical Groups, such as CIEF and AFFAL. We have invested and implemented a technical team, which has allowed us to transmit these events through a Zoom platform for 500 connections, through Facebook live, fan page and Radio Castillo Fuerte.

The Castillo Fuerte radio ministry includes the following working groups: a global online radio; a community radio frequency FM, which is in the phase of presentation of the project in the sub-ministry of Telecommunications of the government of Chile; A Website hosted in www.castillofuerte.cl a Digital Library

which is in its implementation phase and a team that is responsible for transmitting biblical fundamentalist events.

As for statistics, we can thank the Lord that in less than a year of operation, the RCF has reached more than 20,000 unique listeners in 160 countries, with a total of approximately 140,000 listener sessions.

The work in this ministry is very dynamic and requires to be constantly generating and maintaining a current programming, for example, through the development of new programs made by our own team and acquired.

The triple objective of the RCF is evangelism, uplift, and defense of faith, so that the name of our God may be magnified, because only He deserves all honor and glory.

Wherein I suffer trouble, as an evil doer, even unto bonds; but the word of God is not bound.

The main peculiarity of this program is its realization with the participation of members of our seven congregations in Santiago and Temuco, there is a "host" congregation every week, having managed to involve no less than 65 brothers in the country who collaborated with their voices, until the end of 2020, in readings scriptures, exhortations, prayers, praises, greetings, testimonies and / or continuity wedges.

Regarding the scope of the program, it is heard in Chile, Peru, Bolivia and Argentina, having also punctual auditors in Venezuela, Spain, Greece and Germany.

In this space on Saturday mornings they have been transmitting teachings on the Doctrine of God (Own Theology) and, more recently, the Doctrine of the Sacred Scriptures, dictated live via Zoom from Spain, by Dr. Evis Luis Carballosa.

A week later, on November 28, the fifth weekly program of our radio ministry, All The Council of God - Saturday afternoons - with the broadcast of messages pastoral programs aimed at spiritual strengthening, defending our biblical faith, and firmness in doctrine and holiness, in the midst of a secular context openly hostile to the Gospel of Salvation.

2021 Work Plan

At the AMEIMICAV Annual Assembly, held last November, a work project for our radio ministry, with a horizon of 2021-2022.

The Mission established in this project could not be other than to fulfill the explicit mandate of our Lord Jesus Christ, "Go and preach the gospel", together with the edification of the body of Christ and be faithful in upholding our scriptural foundations and practical principles of our only source of faith and practice, the Holy Word of God.

The Vision that guides the project is to be found faithful by the Lord in the ministry of expanding His Good News to unreached souls, attracting to the body of Christ those who have strayed and they need to be reconciled to him, and to have strengthened in doctrine and witness the new generation of believers of our Mission, who will follow us in the evangelistic Mission that has been entrusted.

The Objectives are the following:

1. Project an evangelistic and edification outreach, through an audiovisual platform permanent, that serves as a communication channel to the group of congregations of our Missionary Association.
2. Strengthen the identification of our membership with effective missionary work in summon them to a joint and comprehensive service. Independent Methodist Radio Ministry
3. Serve as a multiplier channel for the work of the departments of Evangelization and Education of our Association, in a context of foreseeable growth in the limitations of the public action of the Church. Consequently, short, medium and long-term Operational Goals were formulated in the horizon 2021-2022, which summarily point to the following:

Consolidate our fanpage, expanding audience and seeking loyalty from a minimum of is;

- Maintain a mixed programmatic grid (of own production and of external ministries, of recognized biblical basis);
- an intensive collection of audios to project long-term continuous programming;

- Strengthen the YouTube channel and an AMEIMICAV webpage;
- Project a streaming pilot phase on the webpage, by the end of 2021;
- Develop a proposal for the future migration of main streams from the fanpage to the webpage, leaving the first one as a channel for disseminating and maintaining audience, for the from 2021;
- Manage the development and launch of an app, during the year 2022, as the main radio ministry platform.

These goals suppose a display of work of the member team in the Department of Art and Communications from AMEIMICAV, on which our radio ministry depends.

We ask the Lord for his special guidance and support, particularly spiritual, for these purposes. Through these we seek to honor his Name and carry out the entrusted mision to go and preach the Gospel to every creature (Mark 16:15, Matthew 28:19).

February 2020, Santiago, Chile

Receive a greeting in the love of our Lord Jesus Christ. I go on to detail the work that our mission carries out in digital media.

The Evangelical Alliance church, since 1929, has a magazine called "El Alba", which has been maintained for more than 92 years, as the official informational organ of our church. In this magazine, not only the activities of our mission are reported, but it serves as a means of biblical instruction to support the spiritual strengthening of the church and of course, the defense of the faith.

Last year, the publications department of our misión, developed a digital version of this magazine, a project that resulted in its first publication, last October 2020. This magazine is published only in Spanish. We hope to continue making digital publications of this magazine, always expanding and directing its content to evangelization, growth and defense of the faith.

Also, as a local Church in Santiago, we have a fan page, through which we broadcast our Bible studies on Thursdays and Sunday worship, we have an average of 500 views. With this activity, we have reached with the message of the Word of the Lord to family and friends in countries such as Argentina, the United States, Spain and Belgium. In addition, the Lord has allowed us to collaborate with broadcasts of international conferences of ministries that go in direct support and defense of the scriptures.

In the same way, we collaborate in the administration of the CIEF - Chile website.

I want to report that we were responsible for the creation, publication and maintenance of fan page of the last congress the ICCC, held in Puerto Montt. And also, I invite you to review this site, where you can find all the services and conferences presented at the congress.

I want to end this short report by stating the following:

The digital media of our mission, such as the fan page of our church, are available to share the links of the other ministries that are part of this meeting and of course, any information that the ICCC considers important.

And finally, I think it is important to promote the fan page that was designed for the 20th ICCC congress. On this site we can insert publications and conferences from different ICCC member organizations, such as Aladic and CIEF in South America and other organizations on different continents. It would also be very good to keep it in two languages, Spanish and English.

Thank you very much for giving me the opportunity to report and I am ready to support the work being done by the ICCC media commission.

God Bless you

“Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:” 2 thessalonians 3:1

Receive first of all our cordial greetings, for all members of this commission, whom I understand all have the objective to fulfill the Great Commission that God gave to His church in Mark 16:15: "And he said unto them, Go ye into all the world, and preach the gospel to every creature." It is a great privilege to be part of the ICCC and thus to support the Fundamentalist cause, the purity of the Gospel.

The Last Call is born of an initiative by Brother Victor H Pacheco J. to revive the program that was transmitted by Radio Almirante Latorre, from Talcahuano, from the years 1990 to 1995 (about 24 years ago). It had a duration of 30 minutes.

Cub Hill BP Church

Cub Hill BPC has a strong broadcast ministry, both in Maryland and around the world.

I do a 30 minute weekly broadcast, entitled In Defense of Truth (IDOT). This radio outreach, begun by Dr. John Dekker in 1963, and under my direction since 2003 is in our 58th consecutive year of continuous broadcasting. We are heard on WCBM (AM radio) in the Baltimore-Washington area each Sunday morning as well as daily, Monday-Saturday, on **www.evangelismradio.com** in 156 countries around the world. The focus of our broadcast is to examine current events in the light of God's prophetic Word.

We began a one minute Moment of Truth spot on WCBM radio in Baltimore in 2012. The objective is the same as IDOT, in a much shorter time period. The gospel is at the heart of all of our messages. I've also served as "guest pastor" on several local television broadcasts, again bringing God's perspective to the world's events.

The biggest blessing that we have received through our radio outreach is the fact that WCBM is a secular radio station. It's format is conservative, so many listeners visit us on Sunday mornings for church. The results have been predictable. Many come, some stay, and those who are the called get saved.

Also a part of our radio ministry is our monthly newsletter, The Defender, which is available in hard copy or through email. We invite any and all who would contribute to our newsletter to email your articles to **cubhill@cubhillchurch.org** We give all glory, praise, and honor to our Lord and Savior Jesus Christ.

Report of Redeeming the Time magazine
for the meeting of the
ICCC Media Commission

To: Rev. Fernando Osses Rev. David Quisbert

We praise the Lord that Redeeming the Time is well into its thirteenth year of publication. It is a faith ministry with the purpose of encouraging God's people and applying God's Word to the issues of our day. We have published a number of messages from ICCC Congresses, together with many photos. This has allowed our readers all across the United States, and many parts of the world, to learn more about the vital work of the ICCC.

Redeeming the Time also applies the Word of God to many of the issues of our day, such as abortion, homosexuality, socialism and communism, and attacks on religious liberty. We attempt to show from the Word of God how these and many other things are evil in the sight of God.

The magazine also seeks to spread the Gospel of Christ, disciple believers, promote missions around the world, warn of apostasy in the churches, and the evils of compromise among much of modern-day evangelicalism. It also promotes Biblical unity, based on the Word of God, such as is found in the ICCC.

Your prayers are appreciated for this ministry, and our prayers are with the ICCC Media Commission, and all of the Christian media ministries connected with it.

Psa 68:11 The Lord gave the word: great was the company of those that published it.

Introduction

By the sovereign will of God, the aims of Sovereign Hope BP Church are as follows

1. The awakening and salvation of souls as the Lord wills
2. The exhortation and edification of Christians through the systematic teaching and expository preaching of God's holy Word
3. The promotion of theocentric corporate worship, fellowship and prayer.
4. The vigilant contention and the defence of the most holy "faith against false teachings of the last days

We thank God for his covenant faithfulness and mercies in the effectual ministry of SHBPC over these years. The Lord has blessed this growing, reformed church over the past years with a growing congregation of worshippers, working together with our associated missions in India, Myanmar, Country X and Batam, Indonesia. The church has its weekly prayer meeting and 3 Sunday school /Catechism classes, our monthly NBC, a systematic bible study class and our virtual Chinese service on Sunday night with brethren from 4 countries , besides pastoral visitation and evangelistic outreaches.

SHBPC is committed to the faithful preaching and teaching of the inspired and infallible word of God, the propagation of the pure gospel, the vigilant defence of the faith and the building of the flock in the fear and knowledge of God. We thank God for a committed and united session who are serving the Lord as responsible stewards of the church, supported by the faithful members and regular worshippers in our various ministry and outreaches.

The church has a meaningful media ministry in these 5 aspects

1. Church website

The church website is managed by our team of webmasters and it provides relevant information on the background, ministry, activities and programme of the church. The weekly articles and the Sunday sermons are put up on the website and it is listened to by Christians from different churches and countries. There is a section on seminars conducted at SHBPC, including themes on depression and suicide, reformation, biblical perspective of pain and suffering, a Q and A and pastoral chats among others. There is also a Chinese and Spanish section with relevant articles and a mission segment of our gospel work in overseas churches and bible colleges in Yangon, Myanmar, Bangalore, India, Batam, Indonesia and other church photo news.

2. The church weekly

One of the regular features every Sunday is the SHPBC weekly which has pertinent theological, devotional articles on the different aspects of Christian living and testimonies, photo news, summary of sermons, memory verses and announcements of the church, among others. It is read by readers from about 10 countries and it is also translated into Chinese and sometimes, Spanish.

3. The Facebook church page and zoom meetings

The SHBPC face book page has about 200 members and our Sunday sermons are placed on it for the edifying listening by its members. A brother often shares the spiritual lessons for the Chinese evening service as well. Our Chinese evening virtual services is an effective tool to connect and communicate with our brethren from different Chinese speaking countries to exhort them with the word of the Lord

4. Pamphlets, articles and tracts

The church produces about 50 pamphlets and articles covering different themes on the bible, theology, church history and Christian living. We have about 10 different tracts in both English and Chinese, with Tamil, Bahasa Indonesian, Thai and Myanmar tracts for outreach purposes as well. They are freely available for anyone to take and distribute as the Lord leads, for edifying and evangelistic purposes.

5. Publication of books and a calendar

The church published a book entitled The Christian Perspective of the Coronavirus Pandemic and biblically related themes in Sep 2020. It was recently translated into Spanish led by Rev Hal Ricker of Guatemala and will be ready by March 2021, God willing. This book has been distributed to churches or individuals in about 9 countries and we have orders from Christians from 4 other countries too. There are plans for it to be translated into Khmer for the Cambodian churches and bible colleges. Our associated mission station, Covenant BPCI in Bangalore publishes a biannual Reformation Now magazine with up to date articles on the reformed faith.

The church also produced a 2021 calendar for the edifying of the saints with relevant biblical verses, church events and important dates and photos

We acknowledge that without Christ, we can do nothing (Jn 15:5,6). We thank God for his covenant faithfulness and grace in leading and guiding SHBPC in our church media ministry to the edifying of the saints locally and worldwide. It is our prayer that it will continue to be a blessing to the enrichment of the saints as the Lord leads to His glory.
